

Want to *Swim* with turtles?

COOK
ISLANDS

Love a little paradise
...for real

Important advice to keep YOU, the TURTLES and our ocean home SAFER!

Respect the Danger

The passage is highly unpredictable and strong currents can be present even in calm conditions.

Respect the environment

It is **PROHIBITED** to touch the turtles. Approach them with caution and maintain a safe distance. Please also **AVOID** touching and walking on coral to reduce impact on the turtle's natural habitat.

Go with a tour guide

Visitors are strongly advised not to enter the passage without a certified guide. How to choose a tour guide:

- ✓ Cook Islands Quality Assured
- ✓ Tours only on weekdays at low tide
- ✓ Safety ratio 1 guide : 4 guests
- ✓ Eco-friendly practices
