

Getting around in the Cook Islands

Explore by bus, bicycle, taxi or rental vehicle. Transport options vary between islands; check before arrival.

Public buses, Rarotonga: Clockwise and anti-clockwise services operate around the island. Check the timetable when planning your journey or download the Transportme Passenger app available on Apple App store or Google Play Store.

Bicycles and e-bikes: Hire a bicycle or e-bike, or ask your accommodation provider whether bicycles are available for guests.

Taxis and transfers: Arrange transport through a local operator or your accommodation provider. On Rarotonga, you can also request a ride through the Smartie app.

Rental cars and scooters: Confirm driver licence requirements with your rental company before travelling. If a Cook Islands Visitor Driver Licence is required, you can apply online before arrival. Apply at least 48 hours before arrival to allow time for processing.
